## **US HWY 52 blocked from Carrington to Harvey; US 281 northbound and southbound and ND Highway 200 are open to traffic LEAVING Carrington**

Motorists need to be aware that due to the recent weather, traffic is currently unable to access the city of Carrington. Highway 52 is **BLOCKED** from Carrington to Harvey due to snow drifts on the roadway and a large number of vehicles stuck and stranded blocking other traffic.

US 281 northbound and southbound and ND Highway 200 are open to traffic LEAVING Carrington.

Due to high amounts of backed up traffic, there is no parking available in communities surrounding this route.

Motorists should slow down and drive according to conditions as there are still many areas in the state with severe snow drifts blocking roads and areas of low visibility. Poor visibility continues to affect highways in North Dakota. Be prepared to adjust your driving with changing road conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: [www.dot.nd.gov](http://www.dot.nd.gov).
